# ENDOCOSMETIC CARE

By supplying the skin with “precursor” ingredients, Action de Gala Endocosmetic care line helps the epidermis and the dermis to produce the substances they need to reduce the appearance of skin imperfections. Instead of using collagen or elastin to treat mature skin, this method uses an amino acid complex that works in synergy with the body’s natural collagen and elastin synthesis, thereby improving the look and feel of your skin, as well as minimizing the appearance of wrinkles.

# ESSENTIAL OILS

Aromatherapy is both an art and a science, the purpose of which is to maintain or improve health and beauty through the use of essential oils. Action de Gala offers a selection of 4 blends of 100% pure essential oils, each with specific properties. These essential oils may be combined with your skin care products and massage oils, added to bath water\*, or diffused for a unique aromatic experience!

CONTENTS	
<b>Ô</b> Purifying	essential oil of lemon, bergamot and petitgrain
<b>UP</b> Energizing	essential oil of rosemary, cinnamon and lemongrass
<b>WA</b> Relaxing	essential oil of orange, marjoram and lavender
<b>LIB</b> Decongestive	essential oil of fir, cedar leaf and eucalyptus
<b>MAS</b> Massage Oil	100% pure grapeseed oil

\*Always combine essential oils with massage oil before adding to your bath water.

# BODY CARE

Our body, as much as our face, deserves to be pampered. Unfortunately, it's often neglected. Action de Gala comes to the rescue by offering a complete range of body products, from an exfoliating gel to a cellulite treatment. Their soft texture, powerful ingredients and pleasantly subtle scent, will make your daily routine an unforgettable sensory experience. For a beautiful looking body, use Action de Gala!
